MUZIK&#128;

The mirror cracks in thousand pieces,  
Are the reflections still true?  
Read the stars and all their meanings,  
Prepare for something new

Investigate the human fate,  
Are we lost in the shadows?  
Seek the light in the darkness of life,  
As we wonder why we care&#128;

Somewhere Beyond Reality is the answer  
Sometime Beyond Reality it's rising

The prophecy is told and living,  
But is it the time?  
Afraid of fear and all it's giving,  
You better dream and hide

Day by day, night after night,  
In a different dimension  
Another world, another time,  
Is there something waiting there?

Somewhere Beyond Reality is the answer  
Sometime Beyond Reality it's rising  
Beyond Reality lies the answer

Investigate the human fate,  
Are we lost in the shadows?  
Seek the light in the darkness of life,  
As we wonder why we care&#128;

Somewhere Beyond Reality is the answer  
Sometime Beyond Reality it's rising  
Somewhere Beyond Reality lies the answer

Somewhere is a mystery  
Sometime is a fantasy  
Beyond the Reality lies the answer  
RETURN&#128;
