I've got a Crush On You
I wanna be with you.

I can feel it around everyday
It surrounds me like I'm in a haze
I'm desperate in love and alone,
Hear my call!

I've got a Crush On You (Crush, Crush)
I wanna be with you (Crush, Crush)
I've got a Crush On You (Crush, Crush)
I'm under your spell
You're my wishing well

The next day is like one before
Once again I stumble and fall
To another I give my heart away,
As I say!

I've got a Crush On You (Crush, Crush)
I wanna be with you (Crush, Crush)
I've got a Crush On You (Crush, Crush)
I'm under your spell
You're my wishing well

You are the one, you're the one I've been looking for
The only one, and I don't have to search anymore!
