They're talking 'bout War, about War

I see the news report on the TV screen
I read the headlines from the media scene
Yes I do!
I hear about it on the radio
Everyday's the same it's an even flow
Even flow

All I see is trouble,
Everywhere I look, yeah
Feels like I make it double,
But there's nothing I can do

When they're talking 'bout War
Is what I Fear
The media-War
The one I Fear

I've tried to change channel, I've gone through them
all,
But there seems to be wrong with my remote control
Oh Yeah!
I've tried to get away, I've tried to forget,
But the ghost of war is in my T.V. set
T.V. set.

All I see is trouble,
Everywhere I look, yeah
Feels like I make it double,
But there's nothing I can do

When they're talking 'bout War
Is what I Fear
The media-War
The one I Fear

Look out!
There go the scuds!

All I see is trouble,

Everywhere I look, yeah
Feels like I make it double,
But there's nothing, no, nothing that I can doâ€¦!

When they're talking Â´bout War
Is what I Fear
The media War
The one I Fear

Talking Â´bout War, thinking Â´bout War,
What is it good for? Oh-Lord I can't take no more
People of War, children of War,
What is it good for? Oh-Lord it's rotten to the core
