Who do you think you are?
Why do you bother me like that?
This time you've gone to far
You're nothing but trouble

You're way out on thin ice
There's no doubt you'll never apologise

What the hell is going on?
Is it a real life masquerade?
You are always wrong,
With a bad attitude

It feels like I'm the bad one
But you'll melt down under the sun

I just wanna say
Xcuse Me, well I'm so sorry
Xcuse Me, for being who I am
Xcuse Me, well I'm so sorry
Xcuse Me, if you don't understand

Xcuse Me, well I am who I am
Xcuse Me if you don't understand

It feels like I'm the bad one
But you'll melt down under the sun

I just wanna say
Xcuse Me, well I'm so sorry
Xcuse Me, for being who I am
Xcuse Me, well I'm so sorry
Xcuse Me, if you don't understand
Well, Xcuse Me!
