1 man and 1 woman,
They make a stand in the name of love
2 hearts got it coming,
A brand new start with blessings from above

Like in the garden of Adam and Eve,
Wish it wasn't so hard 2 believe
When these days are passed in disguise,
Of paradiseâ€¦!

There's No Love here anymore
There's No Love here anymore

1 life 2gether,
White lies in honesty
2 souls 4ever,
Break the oath so naturally

Like in the garden of make-believe,

In real life is hard 2 achieve
When this world is made up with lies,
From paradiseâ€¦!

There's No Love here anymore
There's No Love here anymore

When love has taken it's toll,
There's more than heart and soul
And then you will realize,
That life ain't a stroll in paradise

There's No Love here anymore
There's No Love here anymore
There's No Love, No Love anymore
There's No Love, No Love hereâ€¦!
