Everytime I try to explain
all you want to do is walk away
gonna get you baby-gonna get the message through to
you
You don't understand when I'm not there
then you tell my friends that I don't care
In case you didn't get it..I'm gonna spell it out for you

REASON 1 - You don't want me
REASON 2 - You don't need me
REASON 3 - You don't care I'm alive
Do you, do you, do you want 4 and 5 ???
REASON 4 - Im so helpless
REASON 5 - You couldn't care less
gimme , gimme , gimme a reason
I don't wanna hear another good GOODBYE

I know everything you say is true
baby I feel the same way too
we belong together
gonna get the message through to you
but I don't understand the way you are
all you wanna do is break my heart
in case you didn't notice
I'm gonna spell it out for you

REASON 1 - You don't want me
REASON 2 - You don't need me
REASON 3 - You don't care I'm alive
Do you, do you, do you want 4 and 5 ???
REASON 4 - Im so helpless
REASON 5 - You couldn't care less
gimme , gimme , gimme a reason
I don't wanna hear another good GOODBYE
Gimme a reason to make me love you baby, gimme a
reason to have you back again...

REASON 1 - You still want me
REASON 2 - You still need me
REASON 3 - You still care I'm alive
Do you, do you, do you want 4 and 5 ???
REASON 4 - Im so helpless

REASON 5 - I need your kiss
gimme , gimme , gimme a reason
I don't wanna hear another good GOODBYE
