Body movin', body movin'
A1 sound, sound so soothin'
Body movin', body movin'
We be gettin' down and you know we're crush groovin'

Let me get some action from the back section
We need body rockin', not perfection
Let your backbone flip but don't slip a disc
Let your spine unwind just take a risk
I wanna do the freak until the break of dawn
Tell me party people is that so wrong?
The ship is dockin', interlockin'
And up-rockin', electro-shockin'
We're getting down, computer action
Do the robotic satisfaction
All of ya'll get off the wall
Have a ball and get involved with

Body movin', body movin'
With the A1 sound, sound so soothin'
Body movin', body movin'
We be gettin' down and you know we're crush groovin'

Flame on, I'm gone
I'm so sweet like a nice bon bon
Came out rappin' when I was born
Mom said, "Rock it 'til the break of dawn"
Puttin' bodies in motion 'cause I got the notion
Like Roy Cormier with the coconut lotion

The sound of the music drivin' you insane
You can't explain to people this type of mind frame
Like a bottle of Chateau Neuf de Pap[sic]
I'm fine like wine when i start to rap
We need body rockin' not perfection
Let me get some action from the back section

Body movin', body movin'
A1 sound, sound so soothin'
Body movin', body movin'
We be gettin' down and you know we're crush groovin'

Mike D with the master plan
Ooh my my and thank you ma'am
And when I grab the mic you scream "ooh goddamn!"
The creme de la creme is who I am
MCA where have you been?
Packed like sardines in the tin
So kick off your shoes and put on your swim fins
'Cause when it comes to quarries I'm known to swim
Adrock light up the place
And if you pull my card you pull the ace
And if you ask me, turn up the bass
And if you play Defender I could be your hyperspace

Body movin', body movin'
A1 sound, sound so soothin'
Body movin', body movin'
We be gettin' down and you know we're crush groovin'
