In the bush... bush... bush... bushes in the park
in the bush... bush... bush... bush... bush...
in the bush... bushes in the park

if shampoo's on your bread, then - ooh - you've got the
head of a fool drop dead in -

if subway cars are full of hearts,
then someone's probably in -

if the bushes in the park grown in the dark, then
someone's probably makin -

if a man with a knife is after his wife
then that may have to do with -

love is such an innocent word,
the largest understatement i've heard
almost anything we do - be it bad or good - we do to
get love,
such an innocent world

if you're singing in the rain,
then my! you've got the brain of a guy drop dead in -

if his sneaker toes smell like a rose,
then girl you really must be in -

if you say you love the soup when you actually want to
puke, now isn't that a sign of -

if a man wants the power to build the highest tower,
then that's his substitute for -

no matter what we do, i'm telling you, all we really want
is -

love is such an innocent word,
the largest understatement i've heard
almost anything we do - be it bad or good - we do to
get love,

such an innocent world
