Woman... I can't live,  
live without you in my life.  
Woman... I need you  
Keep my mind, ???ised

Chorus: No matter what I say or do,  
So in love with you.  
No matter what I say or do,  
So in love with you.

People... Don't understand  
that my heart is in your hand,  
and we know this.

When I'm in your arms,  
I am free

Chorus

People everywhere,  
you don't understand,  
what you're missing.  
People everywhere,  
stop for a minute and listen.  
If you find love  
if you find love, hang on

Chorus  
na, na, na...
