Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha
Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha

Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha
Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha

All you used to do was put me down
But I found a way to pick myself up off the ground
And all you used to do was criticise me
But now I found the good and I emphasise it see

You would always get so sensitive
And try to turn your transgressions into my guiltiness
But now I'm certain of the way I live
And what I'm responsible for in this twisted game

And it's such a shame
That you try to make pain
Another word for my name
Whether giving or receiving
It's one and the same
Just one more link
In your long-ass chain
But it's time to break
This frame and my strengthful will
Time to jump off this negative cycle we've built
Gave my heart
But my self-respect you won't steal
Now it's time to let ya go if you can hear me or feel me

Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha
Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha

So I asked my momma for her two cents
And then I asked my little sister and I asked my friend
Then I asked my poppa once and I asked him again
Came to the consensus from all them opinions
That life is too short to be unhappy
And since I know what I'm worth there'll be no settling
for dirt
Not when what I deserve is gold
If I want diamonds then I can't settle for coal

Maybe I was just too strong to let go
Maybe I was just too weak to let it show
Maybe I was just too stubborn to say "No"
But whatever the case I can't take it no more

Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha
Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha

Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha
Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha

Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha
Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha

Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha
Ha, ha ha, ha ha ha, haaa ha ha, ha ha ha

Sometimes I think maybe we'll patch it all up
Like a favourite pair of jeans that you won't give up on
And I hope maybe one of these arguments we'll make
up
And start again like when we started this up
Back when everything was fresh
And every moment a blessing
I'd laugh at all of your jokes
You'd listen to my suggestions
One mind, one soul,
With common destination
Now we can't help but fight over the directions
