Watch that..

But it is hip though the way people dance now

Ya know, you can just,

Its called doin whatever you want to do

Just get up, the weed get to ya, just get up an just

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air

Throw your arms in the air
