See it on the T.V.
Tears begin to flood
In the eyes of the innocent
American blood

It's coming down the mountains
From somewhere up above
It's spilling in the oceans
American blood

Now the battle lines are missing
So many lines have been crossed
It's hard to tell sometimes
Who's died and who's lost
Oh what's the cost of
American blood

It's coming across the airwaves
It's kicking up a dust
Through the heart of all our children beats
American blood

Now the battle lines are missing
So many lines have been crossed
It's hard to tell sometimes
Who's died and who's lost
Oh what's the cost of
American blood

Driven by the dollar
Freedom, greed and love
All we have to offer is
American blood

American blood
American blood
American blood
oh yeah
American blood
American blood
oh yeah
American blood

American blood
oh yeah
American blood
