I don't need to be anything other
Than a prison guard's son
I don't need to be anything other
Than a specialist's son

I don't have to be anyone other
Than the birth of two souls in one
Part of where I'm going
Is knowing where I'm coming from

I don't want to be
Anything other than what I've been trying to be lately
All I have to do
Is think of me and I have peace of mind

I'm tired of looking 'round rooms
Wondering what I've got to do
Or who I'm supposed to be
I don't want to be anything other than me

I'm surrounded by liars
Everywhere I turn
I'm surrounded by imposters
Everywhere I turn

I'm surrounded by identity crisis
Everywhere I turn
Am I the only who noticed?
I can't be the only who's learned

I don't want to be
Anything other than what I've been trying to be lately
All I have to do
Is think of me and I have peace of mind

I'm tired of looking 'round rooms
Wondering what I've got to do
Or who I'm supposed to be
I don't want to be anything other than me

Can I have your attention please?
If you're not like this and that

You're gonna have to leave

I came from the mountain
The crust of creation
My whole situation, made from clay to stone
And now I'm telling everybody

I don't want to be
Anything other than what I've been trying to be lately
All I have to do
Is think of me and I have peace of mind

Tired of looking 'round rooms
Wondering what I've got to do
Who I'm supposed to be
I don't want to be anything other than me

I don't want to be
Anything other than what I've been trying to be lately
I don't want to be
Anything other than me

I don't want to be
I don't want to be anything
I don't want to be

I don't want to be
I don't want to be
I don't want to be
I don't want to be
