Every day, what went wrong?
Who is weak?
Baby, who is strong?
You say I'm wrong, wrong, wrong, wrong, wrong
Because I live my life this way
That's what all you people 'round me say
Almost every single day

Chorus
People call me crazy
Some people just call me weak
And they don't see it happenin'
It's happenin' to me
In the name of love
Oh, yeah, yeah
In the name of love
Oh, yeah, yeah

People runnin'
And they're hidin' round
Runnin', dartin' ... *
Goin' underground
They're trying to try, try, try
And say how you live your life this way?
Oh, no
And you know I try to tell those children
Almost every single day

Chorus

Repeat

Some people call me useless
Some people, they call me weak
But they don't see it happenin'
Whatt's happenin' to me
In the name of love
