Verse 1:

Looking out the airplane window  
Thirty thousand miles of shadow  
All the silver linings bend into the night  
Never any hesitation  
Never any explanation  
I wish I had a ticket off this flight

Pre chorus:

Everything keeps moving fast  
What I want is what I have  
Right now, Iâ€™m closer that I thought I could be

Chorus:

Itâ€™s my life, my time to find the answers  
Donâ€™t always know what kind of road is in front of me  
But Iâ€™ll go slow wanna remember every moment  
That this is by the goodness ride has ever been  
Itâ€™s my life

Verse 2:

In times I really miss my family  
I wonder what they're doing right now  
I know they're thinking of me  
I canâ€™t imagine where Iâ€™m going  
But I know where it is I come from  
And it makes me feel complete

Pre Chorus:

Everything keeps moving fast  
What I want is what I have  
Right now, Iâ€™m closer that I thought I could be

Chorus:

Itâ€™s my life, my time to find the answers  
Donâ€™t always know what kind of road is in front of me  
But Iâ€™ll go slow wanna remember every moment  
That passes by the goodness ride has ever been  
Itâ€™s my life, itâ€™s my life

Bridge:

And itâ€™s a real good fight

Trying to find what's mine  
Tryin' to be who I'm supposed to be  
It's my life, it's my time to find the answers  
Don't always know what kind  
But I'll go slow wanna remember every moment  
That passes by the goodness ride has every thing  
It's my life
