Don't know how the bills will get paid  
Hard to make it by on minimum wage  
Nobody I know got it made in the shade  
Round and round and round and round we go

You better get up, Lord, you better get up  
People, don't you know?  
You gotta wake up, child, you better wake up  
Get your feet back on the floor

If you feel your spirits sinking  
Let your worries go  
You got to keep on rollin'  
Down that road

Hearts get broke and love gets lost  
Nobody worry 'bout what it's gonna cost  
Oh, now who's gonna pay when the dice gets tossed?  
It's round and round and round and round we go

You better get up, Lord, you better get up  
People, don't you know?  
You gotta wake up, child, you better wake up  
Get your feet back on the floor

If you feel your spirits sinking  
You let your worries go  
You got to keep on rollin'  
Down that road  
You better keep on rollin'  
Down that road, oh yeah

It's round and round and round and round we go

You better get up, Lord, you better get up  
People, don't you know?  
You gotta wake up, child, you better wake up  
Get your feet back on the floor

If you feel your spirits sinking  
You let your worries go  
You got to keep on rollin'

Down that road

You gotta keep on rollin'

Down that road

Oh, you better keep on rollin'

Down that road
