I'm a faggot, I'm a retard, I got a girl's bag and a v-
card,
I got 3 friends and a whack ass ride,
You can judge by the cover cuz it's shitty on the inside,
No girls wanna fuck me, trust me,
I don't give a fuck, don't adjust me,
Just please shut your face hole for just one second,
"Fuck you faggot, you're so fucking dumb"
Dumb? I'm the dumb one?
Calm down Bo, just count to ten, um,
One, two, three, whore- I mean four shit,
Five, bitch- I mean six, shit,
I quit, I got no patience, you won, I'll face it
Your life peaks at graduation,
Well congratu-fucking-lations,

Chorus:

Nerds,
The faggots,
The spastic fat chicks who,
Sit in the back with no one to do their lab with,
The nerds,
The kid with acne,
And tons of proactive,
Packed inside his backpack,
I got your back, kid,

Do you know why, kid, I can rap so mean?
I was reading while you were fucking the prom queen,
Huddled up reading, no lacrosse team,
Huddle up, huddle up
What? You lost me,
Sorry bro did I interrupt the,
Circle of jerks all circle jerking,
I need savin, fuck no,
Quote the raven, no fuck poe,
Ah shit, I'm bitchin, listenin

They don't know what they're missing, for instance,
I like poetry, instruments. Maybe we have similar
interests?

It's no fall balls, no balls fall,
Sit and scrawl on the stall walls,
3 pm I pause, *bell rings* that shit sounds like
applause,

Chorus: x2

Nerds,
The faggots,
The spastic fat chicks who,
Sit in the back with no one to do their lab with,
Nerds,
The kid with acne,
And tons of proactive,
Packed inside his backpack,
I got your back, kid

She stood in line and got cut,
Tried out, got cut,
Loved art, but the budget got cut,
Then she got numb and she only felt when she knelt
and cut

Chorus:

Nerds,
The faggots,
The spastic fat chicks who,
Sit in the back with no one to do their lab with,
Nerds,
The kid with acne,
And tons of proactive,
Packed inside his backpack,
I got your back, kid

I know it's bad kid,
I got your back kid
