

## **Fates Warning "A World Apart"**

Visit "[A World Apart](#)" on [MotoLyrics.com](https://MotoLyrics.com)

We find ourselves in ruin  
and it's come too far, how?  
It's no use  
too much allowed and abused  
Worlds apart  
they're exused  
When we're warned  
they're amused  
We slip right by, and ignore  
this sable scene  
We've lives to live  
it's all for one you see

Why should we think to care  
won't we soon disappear?  
Worlds apart  
they're exused  
Balance waived as we speak  
Praised are those with fashion grand  
self concern leads their plans  
A moment's craze and natural crime  
subverses a world to malignant minds
