I wake up in the morning
And the sun begins to shine
The day did sneak up on the night
I see your face, and I see myself
And I get a little taste of life
I try to stand it for a while
But I'm in a trance
Hey baby tell me can't you hear me calling
I'm in a trance
I take too much in the Saturday night
Hey, Hey
Hey baby tell me can't you hear me calling
I'm in a trance
I wanna try to stop this life
I feel so sad, I'm feeling down
On the radio the music plays
I'm in love with her, and I feel fine
I close my eyes
And I think today is getting better with a sip of wine
And I can stand it for a while
But I'm in a trance
Hey baby tell me can't you hear me calling
I'm in a trance
I take too much in the Saturday night
Hey, Hey
Hey baby tell me can't you hear me calling
I'm in a trance
I wanna try to stop this life
I'm in a trance
Hey baby tell me can't you hear me calling
I'm in a trance
I take too much in the Saturday night
Hey, Hey
Hey baby tell me can't you hear me calling
I'm in a trance
I wanna try to stop this life
