Bedroom mirrors do tell who's the fairest of them all?
Lime light silhouette transparent walls
Dancing shadows cascade paper dolls
Wailing ghost guitars send in the clowns, send in the
clowns

Painted plastic faces stealing mummies make up
Masque the false Gods with mannequin smiles
Prima Donna's play upon their pedestal of fame
The unborn girls false fascade

Illegitimate child I won't play your game
Illegitimate child [Incomprehensible]

Blasphemous black Bible bias you betray bigotry
Slay the hydra pretty maidens spread their leprosy
Hungry children feed from hype of perpetual egos
I slay the hydra, burn the talisman, holocaust man

Run with the pack illegitimate child the unborn wench at
war
Tears him inside she became a bride wedlock to a
whore
Shatter the dreams, that tangerine dreams, bow to
Kings not the Queens
Go back where you reign rule your domain the Valley of
the Dolls

Bow to Kings of yesterday, they have given you wings
to fly away
What have the Phantom Queens but deceived you
Armies of shadows climbing silvery mountains lining
molten and

Camouflage the battle scars with oxyten and
Maybelline
Cloning the heroes in hype magazine
Pirates of underground
Lightening the speed of sound you will prevail

Oh oh

Bedroom mirrors do tell who's the fairest of them all?
Lime light silhouette transparent walls
Dancing shadows cascade paper dolls
Wailing ghost guitars

Run with the pack illegitimate child the unborn wench at
war
Tears him inside she became a bride wedlock to a
whore
Shatter the dream that tangerine dream bow to Kings
not the Queens
Go back where you reign rule your domain the Valley of
the Dolls
