It's a sign of the times girl  
Sad songs on the radio  
It's a sign of the times girl  
As the leaves begin to go  
But all these signs now  
Showing on my face  
Proving me wrong, taking it's place

And I pray to god  
That there's more that we can do, yeah  
And I pray to god  
That there's more that we can show  
More that we can do, yeah

Chorus:  
Isn't it a wonder, as a new  
Born baby cries  
And isn't it a wonder, with  
The sweetness in my eyes  
And isn't it a wonder  
At the crossroads of my life  
Isn't it a wonder?  
Isn't it a wonder, to me?

It's the way of the world  
When wrong takes hold of right  
It's the way of the world  
In which we've all lost sight  
But isn't this world too simple  
To be true  
Holding on to memories of you

And I pray to god  
That there's more that we can do, yeah  
And I pray to god  
That there's more that we can show  
More that we can do, yeah

Chorus

That I can see a change in me

But I won't go back  
'Cause that's behind me  
And after all strong words are spoken  
My heart will never be, never be  
Never be, never be ... broken

Chorus
