Sweetheart, I'm talkin' to you and no one else
I just want you to know
That I'll do 4 U

If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U

Well excuse me, let me let you know the time
On how I feel and what's on my mind
It's you that I want to be in my life
And if it's possible you will be my wife

I lead you in the right direction, of course
Never play you out, so there's no laws
I'll be your love daddy just wait and see
That me and you, we were ment to be

If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U

I wanna treat ya like a queen, cook and clean
Get yo bubble bath ready so I can rub you where not
seen
And watch how gentle I'll be when I rub your back
And after that there's aradiant, cognac

A little romance for the quiet storm
And ah, lotta lovin' for the whole night long
I'm gonna caress ya body and give you a kiss
And ah rub you down where you've been missed

Nibble and your navel and kiss your thigh
Play with your hair 'cause I'm on a love high
Well I don't know it's the way that I am
Introduce me to yo mother and I'll say, 'Hello ma'am"

Well I don't know it's the way I was brought up
Respect my female and never get caught up

In another affair and I believe the same
If you try to be slick then the doors will open

If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U

Yeah, you know sweetheart, I told you once
And I don't feel I have to tell you anymore
It's you that I want and it's you, that I'll do for

Since we both know what we want let's get it together
And fly like two birds up a feather
'Cause I'm ah, protect me and look out for my
Feelings and that's why I always try

To be loyal and gentle and lay and lent
Observe the female in case I must leave camp
And if I have to break out you don't deserve
To live a good life and love a black hummin' bird

It may be sexy but it is true
If you try adore then I'll adore you
And if you treat me then
I'll treat you wit opens arms and a rose just to greet you

Love you dearly respect and care for
You my dear so how could you ignore
The way I feel is real from the start
So I stop playin' games and mastered the art

If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U

If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U

If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U
If you do for me, I will do 4 U

I will do 4 U, I will do 4 U
If you do for me, I will do 4 U
I will do 4 U, I will do 4 U
I will do 4 U, I will do 4 U

I will do 4 U, if you do for me, I will do 4 U
If you do for me, yeah, I will do
I will do 4 U, I will do 4 U, am I finished?
