One man above the rest  
With youthful confidence  
He was the only dude  
With way cool attitude  
He was the guy that every young man wants to be  
The exception to the rule  
The epitome of cool

Rebel without a cause  
One step above the law  
You got to play the role  
Never looked back at all  
One star is born and rising on that silver screen  
Without mentioning a thing  
We know exactly what you mean

#### CHORUS:

Doing it James Dean style  
Doing it fast without a worry  
Maybe I'll live to tell the story  
Maybe I'll go down in a blaze of glory  
James Dean style James Dean style  
Blue jeans and a clean white tee for me

Poodle skirts and Drive-In theaters  
Leather coats and rear-view mirrors  
If a thrill is what you're after  
Come with me you'll get there faster

Hooray for Hollywood  
They got you looking good  
They told you what to wear  
And how to comb your hair  
One man's idea of individuality  
Now the question has to be  
Do you believe in what you see

One Sunday afternoon  
Was when we got the news  
One teenage idol gone  
One legend carries on  
In every boy that climbs that stairway to the stars

With a passion in their heart  
Ready and set to play the part

#### CHORUS
