It takes two to make it outta sight
(All the itty bitty women where you at? c'mon)
It takes two to make a thing go right
(All the fellas in the place sing along)
It takes two to make it outta sight
Hit it!

I wanna rock right now
DJ Kool and I came to get down
Coz I'm internationally known
Fatman Scoop on the microphone
Because I get (What!), we get (What!)
or we get stupid I mean outrageous
Stay away from me if you're contagious
'Cause I'm the winner, no, I'm not the loser
To be an D.J. is what I choose 'a
Ladies love me, girls adore me
I mean even the ones who never saw me
Like the way that I rhyme at a show
The reason why, I know you know

So let's go, 'cause

It takes two to make a thing go right
(All the fellas in the place sing along)
It takes two to make it outta sight
(All the itty bitty women where you at? c'mon)
It takes two to make a thing go right
(All the fellas in the place sing along)
It takes two to make it outta sight
1..2..3 c'mon now

Hit It!

Heh yo dude, I gotta real funky concept
Listen up, 'cause I'm gonna keep you in step
I got an idea
That ya wanna share
You don't like it? You don't like it? You don't like it?
So what, I don't care
I'm number one, the uno, I like comp
Bring all the suckers 'cause all them I'll stomp
Bold and black but I won't protect
All of my followers 'cause all I want is respect
I'm not a doctor, put them in rapture
A slick brother that can easy outfox ya
Cause I'm DJ, last name Kool, yeah
And on the mike, I'm known to act the fool
So let's start, it shouldn't be too hard
I'm not a sucker so I don't need a bodyguard
I won't fess, wear a bulletproof vest
Don't smoke buddha, can't stand sess, yes

It takes two to make a thing go right
(All the fellas in the place sing along)
It takes two to make it outta sight
(All the itty bitty women where you at? c'mon)
It takes two to make a thing go right
(All the fellas in the place sing along)
It takes two to make it outta sight
Hit It!
