I'm going go out  
Fancying every night  
And I'm gonna see  
All the city lights

And I'm gonna do everything  
That I been told  
But I got to hurry up  
Before I grow too old

And I'm-a take a trip  
Around the world  
And I'm gonna kiss  
All the pretty girls

And I'm gonna do everything  
With silver and gold  
But I got to hurry up  
Before I grow too old

Because I'm gonna do a lot of  
Things I know is wrong  
And I hope that I'm forgiven  
Before I'm gone

And it will take a lot of  
Prayers to save my soul  
But I got to hurry up  
Before I grow too old

I'm gonna do a lot of  
Things I know is wrong  
So I hope that I'm forgiven  
Before I'm gone

And it will take a lot of  
Prayers to save my soul  
But I got to hurry up  
Before I grow too old
