What can I say, what can I do
To my poor heart
When it's feeling blue
Cause I'm a fool in love
And I still love you

Yes, I've been true to only you
Now, tell me, little darling
What you want me to do
Cause I'm a fool in love
And I still love you

You took my heart away
Left me all alone
Why did you go away
Please, my little darling
Won't you come back home

Don't leave me here all alone
Please, my little darling
Won't you come back home
Cause I'm a fool in love
And I still love you

What can I say, what can I do
To my poor heart
When it's feeling blue
Cause I'm a fool in love
And I still love you

Yes, I've been true to only you
Now, tell me, little darling
What you want me to do
Cause I'm a fool in love
And I still love you

You took my heart away
Left me all alone
Why did you go away
Please, my little darling
Won't you please return

Don't leave me here all alone
Please, my little darling
Won't you come back home
Cause I'm a fool in love
And I still love you

And I still love you
And I still love you
