I got a right to cry  
All day I sing the blues  
I'm in my lonely shoes  
Could you be so unkind?

I've really lost my mind  
I wonder if you care  
My life is a sad affair

My heart is aching, baby  
Breaking, baby  
I don't know what to do  
Sweetheart, all just because of you

You know you done, done me wrong  
Come back where you belong  
To end this reason why  
I've got a right to cry

My heart is aching, baby  
Breaking, baby  
I don't know what to do  
Sweetheart, all just because of you

You know you done me wrong  
Come back where you belong  
To end this reason why  
I've got a right to cry
