Lazy lady, lazy lady  
Lazy lady, get out of bed  
You sleep til eleven  
Like you're in Heaven  
Lazy lady, get out of bed

Oh, lazy lady, get out of bed  
Oh, lazy lady, you heard what I said

You always go shopping  
You do the town  
And lazy lady  
Don't need you around

You don't do housework  
You don't make groceries  
Lazy lady, gonna push you down

Oh, lazy lady, get out of bed  
Oh, lazy lady, you heard what I said

You're so lazy  
You're driving me crazy  
Lazy lady, get out of bed

You call me honey  
To get some money  
Lazy lady, get out of bed

Oh, lazy lady, get out of bed  
Oh, lazy lady, you heard what I said

Lazy lady, lazy lady  
Lazy lady, get out of bed  
You sleep til eleven  
Like you're in Heaven  
Lazy lady, get out of bed

Oh, lazy lady, get out of bed  
Oh, lazy lady, you heard what I said
