I like the way you walk  
I like the way you talk  
Let me hold yo' hand  
Try to understand

I want a girl like you  
Tell my troubles to  
You won't be afraid  
You heard what I said

Let the four wind blow  
Let 'em blow, let 'em blow  
From the east to the west  
I love you the best

Let the four wind blow  
Let 'em blow, let 'em blow  
From the east to the west  
I love you the best

(instrumental & sax)

I like the way you walk  
I like the way you talk  
Let me hold yo' hand  
Try to understand

I want a girl like you  
Tell my troubles to  
Don't be afraid  
You heard what I said

Let the four wind blow  
Let 'em blow, let 'em blow  
From the east to the west  
I love you the best

Let the four wind blow  
Let 'em blow, let 'em blow  
From east to the west  
I love you the best

(instrumental & sax to end fade)
