Well I'm goin' to New Orleans, I'm gonna see the Mardi  
Gras

Well I'm goin' to New Orleans, I'm gonna see the Mardi  
Gras

When I get to New Orleans I wants to know what's  
carnival for

I've got my ticket in my hand, I'm gonna go to New  
Orleans

I've got my ticket in my hand, I'm gonna go to New  
Orleans

When I get to New Orleans, I wanna see the Zulu King

When I see the Zulu King, down on Rampart and  
Dumaine

When I see the Zulu King, down on Rampart and  
Dumaine

I'm gonna stay right there until I see the Zulu Queen
