Woke up this mornin, feelin low,
where my loved one used to live, she aint there no
more,
poor me, why such bad luck put on me
poor me, i'm living in misery,
What i'm gonna do, is hard to tell,
I'm not gonna kill myself, though i might as well,
poor me, why such bad luck put on me,
poor me, i'm living in misery,
All I do, all day long, fall down on my knees and pray,
she'll come back home,
poor me, why such bad luck put on me,
poor me, i'm living in misery,
All I do, all day long, fall down on my knees and pray,
she'll come back home,
poor me, why such bad luck put on me,
poor me, i'm living in misery,
