"Rockin' Chair"

I'm gonna buy myself a rockin' chair
Try to rock away my blues
I'm gonna buy myself a rockin' chair
Try to rock away my blues

'Cause my friend came home this morning
And he brought me bad news

He said, "Your best girl just passed me
With the suitcase in her hand"
He said, "Your best girl just passed me
With the suitcase in her hand"

And she wasn't out alone
She was with another man

Please, baby, please come home
Please, baby, please come home
Please don't leave me alone

Until she comes back
I'm gonna rock in my rockin' chair
Until she comes back
I'm gonna rock in my rockin' chair

'Cause without my baby
I just can't get nowhere
