City sidewalks, busy sidewalks  
Dressed in hol' holiday style  
In the air there's a feeling of a Christmas

Children laughing people passing  
Meeting smile after smile  
And on every street corner you can hear  
Silver bells, silver bells

It's Christmas time in the city  
Ring-a-ling, hear them ring  
Soon it will be Christmas day

City street lights even stop lights  
Blinking bright red and green  
As the shoppers rush it home with their treasures

Hear the snow crunch, see the kids bunch  
This is Santa, Santa's big scene  
And above all this bustle you will hear  
Silver bells, silver bells

It's Christmas time in the city  
Ring-a-ling, hear them ring  
Soon it will be Christmas day
