Oh babe, whatcha gonna do?
Oh babe, whatcha gonna do?
I'm sick and tired
Foolin' around with you

I get up in the mornin', fix you somethin' to eat
Before I go to work, I even brush your teeth
I come back in the evenin', you're still in bed
Got a rag tied 'round you're head

Oh babe, whatcha gonna do?
I'm sick and tired
Foolin' around with you

This is my last time, I'm tellin' you to change your ways
I'm tellin' you baby, I mean what I said
Last time tellin' you to stop that jive
Or you'll find yourself outside

Oh babe, whatcha gonna do?
I'm sick and tired
Foolin' around with you

Oh babe, whatcha gonna do?
Oh babe, whatcha gonna do?
I'm sick and tired
Of foolin' around with you

I get up in the mornin', fix you somethin' to eat
Before I go to work, I even brush your teeth
I come back in the evenin', you're still in bed
Got a rag tied 'round you're head

Oh babe, whatcha gonna do?
I'm sick and tired
Foolin' around with you

Oh babe, whatcha gonna do?
Oh babe, whatcha gonna do?
