I had it all planned just for you
But you broke my plans in two
What can I do
When something's wrong with you?

I had my heart in your hand
You broke my heart, it's a shame
What can I do
When something's wrong with you?

Is this the way it had to be?
Why such bad luck for old me?
What can I say? What can I do
When something's wrong with you?

I had my heart in your hand
You broke my heart, ain't that a shame?
What can I do
When something's wrong with you?

Is this the way it had to be?
Why such bad luck for old me?
What can I say? What can I do
When something's wrong with you?

I had it all planned just for you
You broke my plans in two
What can I do
When something's wrong with you?
