You been telling me lies
And I know it
There's no love in your eyes
Cause it's showing

Cause every time
I hold you in my arms
You just lie, lie, lie, lie, lie

You said you wanted me
For your honey
But all you wanted
Was my money

You didn't even try
To make me satisfied
You just lie, lie, lie, lie, lie

You know you made me love me
When your roll those great big eyes
Although I didn't know it
They were only stirring up lies

You been doing me dirty
And you hide it
I know I can't leave
Cause I've tried it

So just as long as you
Hold me in your arms
You can lie, lie, lie, lie, lie

You know you made me love me
When your roll those great big eyes
Although I didn't know it
They were only stirring up lies

You been doing me dirty
And you hide it
I know I can't leave
Cause I've tried it

So just as long as you
Hold me in your arms
You can lie, lie, lie, lie, lie
