There goes my heart again
There goes my heart again
There goes my heart again
There goes my heart again

So don't let me down
(Don't let me down)

Baby, can I take you
For a long, long ride
(I don't know)

Just wanna have you
Right by my side
(No, no, no)

(CHORUS)
Well, there goes my heart again
There goes my heart again
There goes my heart again
There goes my heart again
So don't let me down
(Don't let me down)

Baby, can I be
Your lover again
(I don't know)

Well, let me squeeze you
As hard as I can
(No, no, no)

(CHORUS)

Baby, can I take you
To the movie show
(I don't know)

Well, let me kiss you
Before you go
(No, no, no)

(CHORUS)

There goes my heart again
There goes my heart again
There goes my heart again
There goes my heart again

There goes my heart again
There goes my heart again...
