Don't mess with my toot toot  
Don't mess with my toot toot  
Now you could have the other woman  
But don't mess with my toot toot

Well, she was born in a basement  
The doctor slap her behind  
He said, 'You're gonna be special  
A-you gonna be fine'

A-you can look as much  
But if you much as touch  
You're gonna have yourself a case  
I'm gonna break your face

So don't mess with my toot toot  
Don't mess with my toot toot  
Now, you could have the other woman  
But don't mess with my toot toot

Don't mess with my toot toot  
Don't mess with my toot toot  
Now, you could have the other woman  
But don't mess with my toot toot

When she was born in a basement  
The doctor slapped her behind  
He said, 'You gonna be special  
A-you gonna be fine'

Now you can look as much  
But if you much as touch  
You're gonna have yourself a case  
I'm gonna break your face

So don't mess with my toot toot  
Don't mess with my toot toot  
Now you could have the other woman  
But don't mess with my toot toot

Now you could have the other woman  
But don't mess with my toot toot!

'Well alright, alright'
