Trouble Blues Trk 17 2:42

Fats Domino

(J.L. Hooker)

Album: 'Fat Man Sings' EMI Gold

So many tears

Since you went away

I'll always think of you

Each night and day

Someday

Someday, my darlin'

I won't be troubled no mo'

Trouble, trouble

Has it's misery

Already had

The best of po' me

Someday

Someday, my darlin'

I won't be troubled no mo'

(instrumental & guitar solo)

You heard my story

I'll sing my song

'Bout you leavin' po' me

You know that's wrong

Someday

Someday, my darlin'

I won't be

Troubled no mo'.
