I walk down this old lonely street  
No one seems to wanna speak  
Oh, who cares, yes, who cares  
For poor, poor me

(Who, who cares  
Who, who cares)

All the world seem cold  
Everything is gray  
Nothing seems the same  
Since you went away

Oh, who cares, yes, who cares  
For me (who cares for me)

Surely happiness can be found  
Surely someone for me  
Must I go through life  
With this hopeless love  
Oh, why can't I be set free

All I want is you (who, who cares)  
All I know is you (who, who cares)  
But somehow our (who, who cares)  
Love just can't be (who, who cares)

Oh, who cares, yes, who cares  
For me (who cares for me)

Surely happiness can be found  
Surely someone for me  
Must I go through life  
With this hopeless love  
Oh, why can't I be set free

All I want is you (who, who cares)  
All I know is you (who, who cares)  
But somehow our (who, who cares)  
Love just can't be (who, who cares)

Oh, who cares, yes, who cares

For me (who, who cares)

I'm gonna leave  
(Who, who cares)  
I'm gonna leave his town  
(Who, who cares)

I'm going to the river  
(Who, who cares)  
Jump overboard and drown  
(Who, who cares)

Whoa, oh  
(Who, who cares)...
