(verse 1)

(valure)

the sunlight smiles

faithful everyday for you

no one can come close to the

joy you bring to me

whispers like a summer breeze

to put my mind at ease

when i look into your eyes

i envision you and me

on love's journey

so i wrote this melody

to show you that you send me

(chorus)

chills running through my body

shivering down my spine

keeps me quivering for you

so happy that your mine

i'm shaken, i can't control myself

cuz you

you send me chills

(verse 2)

(josh)

come whisper in my ear

tell me what your heart desires

girl i feel that you're the one

that i could spend forever with

you give me that sensation

that no other love can give

(valure)

boy what you do for me

goes far beyond my wildest dreams

(eddie)

say you'll never leave

girl when you look at me

i get this feeling inside of me

(chorus)

(valure)

cold as the winter breeze

makin my heart freeze

ooohhhh

hot as the summer flame

when u say my name

(eddie)

sparkling like pain

got me dizzy like shardene'

(valure)

i feel chills

when u look at me

chills

when u touch me

chills running over my body

(chorus)

(hook)

you send me chills (x7)

i can't help it

i can't stop it

i can't fake it

(valure)

i can't lie

cuz you send me chills
