INTRO

She was 5'6", brown eyes, sexy toes & I liked her smile.
Yes she was. Nice thighs, I won't lie, and the big ole
jelly ass. And the way she danced, she turned all the
boys in the room crazy. G'on girl, let me see you do the
dance, do the dance for me

Chorus:

Go'n Girl, let me see you do your thing. Get your ass on
the dance floor and let me see you do your thing. Go'n
girl. Let me see you do your thing.
Get your ass on the dance floor
go'n, go'n, go'n girl.

JOSHUA

I wanna see the sweat drippin from your body.
And I wanna feel your heart vibrating my body.
Move to the rhythm of the jamming, jumping, funking
in front of the band.
And hear the last call for everyone to get out and
dance. So.

Come on, Come on, Come on, Come on, Come on, the
dance floor's filling up so Come on, Come on.

CHORUS

G'on girl, let me see you do your thing. Get your ass on
the dance floor, let me see you do your thing [2x]
G'on, Go'on Go'on Girl.

GABRIELLE

Boy, can I come get with you?
said I wanna make you say ooh,
Give it up that funk. Let's grind and bump all night.

VALURE

When you move in slow motion, baby.
Sends chills all through my body.
You got that gushy stuff and I want to have ya, baby.

RON

(I) Feel it in my hands.
(I) Feel it in my feet.
I feel it, taking control of me.

Come on, Come on, Come on, Come on, Come on, the
dance floor's filling up so Come on, Come on.

CHORUS

EDDIE B

You got me wide open, focused, I'm feelin your body.
Feelin the pressure, won't stop, you love it when I feel.
You tell me your fantasies, I'm ready if you're ready,
baby, her body so tight & so
