Somebody put the juke joint on, listen to the words of the song, let me prove what i say is true, that i'm really really feelin you

[verse #1:]

[Eddie]

Hey, hey, hey shorty why u here standing alone? do you need a little company? can i help u find your way home

[Gabrielle]

Do you wanna talk to me? i don't need no lines boy. what you got to say to me i'm sure i heard of many times before

[Joshua]

You got that sparkle in your eyes that a guy just can't miss, or your cinnamon tone, girl, i can't resist

[Gabrielle]

I hear you, baby, listen to this: you got to win all my affection, if you want to sample my kiss

[chorus:]

[Joshua]

Somebody put the juke joint on, listen to the words of the song, let me prove what i say is true, that i'm really really feelin you

I want to hold you all night long

[Gabrielle]

You can play whatever
