### VERSE 1

I try not to be dramatic Â– unless I hafta  
But I was at the Apple Store pickin' out a MacBook  
And on my way out like "thanks for stoppin' by"  
And you walked in and you really caught my iiiiii-Pod  
And I'ma put you on my playlist  
I don't know what ya name is but ya goin' in my  
favorites  
I got ya in my iSight, I hope ya hear cuz  
Ima turn your volume up and speak into ya earbuds  
I like yer interface, it ain't a big deal  
You got my heart spinnin' right around like a Click  
Wheel  
And I was thinkin' we can shuffle through the interwebz  
And find the time for iMovie playing at the Cineplex  
And girl you know you made that \*Final Cuuuut\*  
Even MacBook Air ain't \*light enuuuuff\*  
To outweigh my heart which is beating so rapid  
That Ima hafta track it with an iPod App and

### CHORUS

I fell in love at the Apple Store (ah ooh ooh ah, ah ooh  
ooh ah ah)  
I never felt like that before (ah ooh ooh ah, ah ooh ooh  
ah ah)  
And I fell in love at the Apple Store (ah ooh ooh ah, ah  
ooh ooh ah ah)  
I think I may come back for more (ah ooh ooh ah, ah  
ooh ooh ah ah)

### VERSE 2

And yes I'm aware that baby iMac  
And baby if you buy that maybe we can iChat  
And I don't mean to be aggressive or a sleeze  
And I don't mean to Mac I'm just not PC  
I know how to treat you Â– this ain't a reboot  
I'll never find the need to Control ALT Delete you  
I see no reason to mess with these slobs  
Cause they're like Bill Gates... and I'm Steve Jobs  
I know you're waitin on me to discover  
That you need a man who will let you meet his

motherrrr-  
Board Â– well baby it's fine  
Cause I'm connectin' broadband and this could really  
happen quicktime  
So let's find a network and go wireless  
And if you'd like to try this maybe we can iTouch  
And put your picture as my desktop backdrop  
If you let me take my hard drive and put it in your  
laptop

#### CHORUS

I fell in love at the Apple Store (ah ooh ooh ah, ah ooh  
ooh ah ah)  
I never felt like that before (ah ooh ooh ah, ah ooh ooh  
ah ah)  
And I fell in love at the Apple Store (ah ooh ooh ah, ah  
ooh ooh ah ah)  
I think I may come back for more (ah ooh ooh ah, ah  
ooh ooh ah ah)

#### BRIDGE

(Reboot)

Ma-Ma Ma-Mac  
Ma-Ma Ma-Ma Ma-Macintosh  
Ma-Ma Ma-Mac  
Ma-Ma Ma-Ma Ma-Macintosh  
Mac Mac  
Mac-Mac-Ma-Macintosh

#### CHORUS

I fell in love at the Apple Store (ah ooh ooh ah, ah ooh  
ooh ah ah)  
I never felt like that before (ah ooh ooh ah, ah ooh ooh  
ah ah)  
And I fell in love at the Apple Store (ah ooh ooh ah, ah  
ooh ooh ah ah)  
I think I may come back for more (ah ooh ooh ah, ah  
ooh ooh ah ah)
