Beida, khsarti li hyati ah
Ana goult lik barkani
Ma ala balich beli qedam
Bane laabek, ga y est trop tard

Hia sbabi wa sbab hayati
Leman nahki dourri wa sourri ah
Ma aarafet aalach dik el mahna
Goulou li aalach nebghiha

Hia sbabi wa sbab hayati
Leman nahki dourri wa sourri ah
Ma aarafet aalach dik el mahna
Goulou li aalach nebghiha

Nhadrou tefraz, nessit el madi
Nechaq fi zine min el widane

Hia sbabi wa sbab hayati
Leman nahki dourri wa sourri ah
Ma aarafet aalach dik el mahna
Goulou li aalach nebghiha

Wa rao yi hah ya rao ah
Goult lik a khlass, oublie l'histoire
Nechaq fi zine min el widane

Hia sbabi wa sbab hayati
Leman nahki dourri wa sourri ah
Ma aarafet aalach dik el mahna
Goulou li aalach nebghiha
