Once there were green fields  
Kissed by the sun  
Once there were valleys  
Where rivers used to run

Once there were blue skies  
With white clouds high above  
Once they were part of  
An everlasting love

We were the lovers who strolled through green fields.

Green fields are gone now  
Parched by the sun  
Gone from the valleys  
Where rivers used to run

Gone with the cold wind  
That swept into my heart  
Gone with the lovers  
Who let their dreams depart

Where are the green fields that we used to roam?

I'll never know what made you run away  
How can I keep searching when dark clouds hide the day?  
I only know there's nothing here for me  
Nothing in this wide world left for me to see.

But I'll keep on waiting 'til you return  
I'll keep on waiting until the day you learn  
You can't be happy with your heart on the roam  
You can't be happy until you bring it home

Home to the green fields and me once again.
