no one notices such a slow decline  
I used to be yours and you used to be mine  
you used to be mine  
you used to be mine  
you and me alone here  
is just a memory  
nothing grows here and nothing ever will  
it all died a while ago but I wait here still  
I wait here still  
you and me alone here  
is just a memory  
I can't help you  
and you can't help me  
it's so sad  
so sad  
no one notices such a slow decline  
I used to be yours and you used to be mine  
you used to be mine  
you used to be mine  
you and me alone here  
is just a memory
