Mr. Chatterbox how long will you live?  
Always to receive but never to give  
Always carry news all over the place  
Mr. Chatterbox you are a big disgrace

You teeth and you tongue a go let you down  
And a when them let you down we a go batter you  
around  
Bif, baf, boof, those are the blows you're gonna get  
Mr. Talkative, I know you will regret

Mr. Chatterbox how long will you live?  
Always to receive but never to give  
Always carry news all over the place  
Mr. Chatterbox you are a big disgrace

You teeth, teeth, teeth, and tongue, tongue, tongue a  
go let you down  
And a when them let you down we a go batter you  
around, hey  
Bif-an, baf-an, boof, those are the blows you're gonna  
get, hey  
Mr. Talkative I know you will regret

Mr. Chatterbox how long will you live?  
Always to receive but a never to give  
Always carry news all over the place  
Mr. Chatterbox you are a big disgrace

You teeth and tongue a go let you down  
And a when them let you down we a go batter you  
around  
Bif-an, baf-an, boof-an, that's the blows you gonna get  
Mr. Chatterbox, I know you will regret

Ooh yeah, Mr. Chatterbox, ooh yeah  
Mr. Chatterbox, ooh yeah  
Watch him, Mr. Chatterbox
