[Bob Marley]

One cup of coffee, then I'll go;
Though I just dropped by to let you know
That I'm leaving you tomorrow;
I'll cause you no more sorrow:
One cup of coffee, then I'll go.

I brought the money like the lawyer said to do,
But it won't replace the 'eartache I caused you;
It won't take the place of lovin' you, I know,
So one cup of coffee, then I'll go.

/Saxophone solo/

Tell the kids I came last night
And kissed them while they slept;
Make my coffee sweet and warm
Just the way you used to lie in my arms.

I brought the money like the lawyer said to do,
But it won't replace the 'eartache I caused you;
It won't take the place of lovin' you, I know,
So one cup of coffee, then I'll go;
One cup of coffee, then I'll go;
One cup of coffee, then I'll go.
