Each night I ask, the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love?

Put me in your milling machine
I never thought you could act so mean
Now I'm wondering what to do
To see if you could love me too

Each night I ask, the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love?

Each night I ask the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love?

Though my knees are getting weak
And my brain is getting flatter something is near
To tell me it's been badder
I don't know just what to do
To see if you could love me too

Each night I ask the stars up above
Why must I be a teenager in love?
Why must I be a teenager in love?
